Additional Information

- **Course selection and order may vary.**
- **All pathways are subject to change.**
- **Always review with your Lorain County Community College or YSU advisor**
- **Those in the health care administration will have the option to work toward their Health Services Executive credentials after completing the NAB requirements of and completion of a 1,000-hour Administrator in Training, and successful passing of licensure exams in home and community-based services, residential care/assisted living, and nursing home administration.**
- **Electives enable the student to delve deeper into specialized areas of interest, such as Aging in Health and Human Services, Mental Health and Addiction, or Health Disparities and Social Justice, among others.**
- **Student has the choice of doing a thesis or internship based on their career goals and choice of track.**
