

**RESOLUTION TO APPROVE  
CHANGES TO TUITION AND FEES FOR THE 2024-25  
ACADEMIC AND FISCAL YEAR**

**WHEREAS**, Ohio law provides that Boards of Trustees of state-assisted institutions of higher education shall supplement state subsidies by income from charges to students, including an “instructional fee” for educational and associated operational support of the institution and a “general fee” for non-instructional services, and that these two fees shall encompass all charges for services assessed uniformly to all enrolled students and shall be identified as "tuition"; and

**WHEREAS**, Ohio law also provides that each Board may establish special purpose fees, service and housing charges, fines and penalties and that a tuition surcharge shall be paid by all students who are not residents of Ohio; and

**WHEREAS**, Ohio law provides that the University shall separately identify the Instructional Fee, the General Fee, the Tuition Charge, and the Tuition Surcharge; and

**WHEREAS**, Ohio law provides that fees charged for instruction shall not be considered to be a price for service but shall be considered to be an integral part of the state government financing program in support of higher education opportunity for students; and

**NOW, THEREFORE, BE IT RESOLVED**, that unless otherwise noted herein, this Resolution shall replace all previously adopted Resolutions pertaining to tuition, fees and/or other charges; and

**BE IT ALSO RESOLVED**, that the Board of Trustees of Youngstown State University does hereby declare the “tuition charge” shall be the sum of the Instructional Fee, General Fee and, where applicable, the Information Services Fee, and does hereby establish the tuition charge and other fees as included in the attached Exhibit, to become effective for the 2024-25 academic year and shall not exceed what is permitted by the final enacted version of the state of Ohio budget bill for the FY 2024 - FY 2025 biennium, and to remain in effect until changed by the Board of Trustees, except as may be specifically noted otherwise; and

**BE IT FURTHER RESOLVED**, that the President of Youngstown State University or his designee shall have the authority to approve:

1. Fees for continuing education and noncredit courses, institutes, and workshops offered or coordinated through the Colleges and Office of College Access and Transition;

2. Ticket prices for admission of the public to intercollegiate athletic games and to student music or dramatic productions; and

In all cases, the revenue generated by such fees and charges shall be expended in conformity with appropriately approved budgets. It shall be understood that: (a) charges for unreturned or damaged equipment checked out to a student shall be established by the cognizant University staff person and the charge shall be sufficient to recover replacement costs and with a charge to cover processing costs; (b) for such charges as noted in (a) above, the approval of neither the President nor the Board of Trustees shall be required; and (c) the President or his designees shall have the authority to designate parking facilities by location or by time which may be utilized either without charge or for a reduced charge.

Fines which are authorized in this resolution may be assessed against nonstudents who are authorized to use University services as well as against students; and the rates detailed in this resolution shall replace the rates in any other resolution in conflict, and it shall continue to be the policy of this Board to review and adopt all fees, service charges, and fines annually in order that students and others are informed as to rates for the coming year and budgets may be finalized. It is understood that charges, fines, penalties, and assessments to students and non-students will not be waived except as specifically authorized by proper authority. Fee waivers authorized by the Chancellor, in accordance with section 381.170 of Am. Sub. H.B. 166 of the 133rd General Assembly, are identified in the attached Exhibit and made part herein.

If a student is permitted to withdraw from the University or if a student reduces his or her academic load, a refund of the tuition charge and the nonresident tuition surcharge, where applicable, shall be made in conformity with the following schedule. If the withdrawal is after the prescribed time limits, all tuition and other applicable fees and charges are forfeited. All applicable fees, fines, and penalties due must be paid before the refund is paid. Refund policies for University Housing and Courtyard Apartments shall be set by Student Affairs in accordance with best business practices.
