

**RESOLUTION RELATED TO THE
FALL 2025 14th-DAY PRELIMINARY ENROLLMENT REPORT**

WHEREAS, after significant campus involvement in the process, the Board of Trustees in June 2020 endorsed and in September 2023 renewed the Plan for Strategic Actions to Take Charge of Our Future (“Plan”);

WHEREAS, considering the appointment of President William L. Johnson as president and Jennifer Pintar as provost, both in 2024, and in consideration of the State of the University and the State of Academic Affairs presentations, a further revised Plan was endorsed by the Board of Trustees in December 2024;

WHEREAS, several actions associated with the Plan to “Optimize the Academic Portfolio” and “Increase Enrollment Purposefully and Strategically” are foundational elements of attracting students to YSU;

WHEREAS, a component of enrollment is retention, persistence, completion, and a purposeful career, that are also inherent attributes of an action in the Plan to “Improve the Student Experience for Those Who Trust Their Futures to YSU;”

WHEREAS, the Board via various Resolutions, and via a variety of topics of discussion has consistently, over time, stressed the importance of tailoring the academic portfolio in consideration of serving the region and beyond, including the accountability structures currently in place and that are emerging regarding state and federal support of higher education;

WHEREAS, while academic excellence and student success are foundational to the success of the university, athletics and the physical environment are important attributes associated with the viability and vitality of the university, as previously resolved during the development of the Plan and via BOT Bylaws related to the governing of athletics;

WHEREAS, the administration has considered the 14th-day Preliminary Enrollment Report for fall 2025 (attached), in the context of Article 13 of the Collective Bargaining Agreement (CBA) with the Youngstown State University Chapter of the Ohio Education Association (2023-2026).

NOW THEREFORE, BE IT RESOLVED that in consideration of the 14th-day Preliminary Enrollment Report for Fall 2025, the Board of Trustees anticipates the Academic Program

Effectiveness and Enhancement initiative will continue in consideration of two categories, the first being continuous quality improvement, and the second being Detailed Analysis, that require additional direction for adjustments to preferably eventually rate as continuous quality improvement without which the potential to suspend and end the program is a possible eventual outcome;

BE IT ALSO RESOLVED, the leadership team will present a framework for an Academic Master Plan that aligns with the Strategic Enrollment Plan at the Governance Committee meeting in December, 2025;

IT IS FURTHER RESOLVED, that after considering all relevant factors as outlined in the CBA, the administration does not anticipate retrenchment at this time.
