**KEYNOTE SPEAKER**

***MATT KRESIC***

Mr. Kresic brings more than 33 years of experience in the nonprofit child welfare and behavioral health sectors, serving in roles that span from direct service to executive leadership. Cadence Care Network—where he has worked since 1993—provides Treatment Foster Care, Comprehensive Mental Health Services, and Care Coordination to more than 5,000 children across Ohio each year. Over the course of his tenure, he has held positions including Director of Operations, Independent Living Program Coordinator, and Case Manager.

Guided by a growth mindset and a commitment to creative problem solving, Mr. Kresic has overseen significant organizational expansion. Under his leadership, Cadence Care Network has grown from 28 employees serving a small cluster of northeastern Ohio counties to nearly 390 employees operating across multiple regions, including Columbus and Toledo. This growth has broadened the organization's capacity to fulfill its mission of helping children and families achieve their most successful lives.

Mr. Kresic earned his bachelor's degree in Social Work from Youngstown State University and a master's degree in Public Administration, with a focus on nonprofit management, from Kent State University. He has also contributed to the academic community for the past decade as an adjunct professor in the Bitonte College of Health and Human Services at Youngstown State University.

Deeply rooted in community service, Mr. Kresic serves on several local boards, including Abilities Unite and the Trumbull County Family and Children First Council. At the state level, he is a board member of the Ohio Children's Alliance and the OhioRISE Advisory Board, and he was recently appointed by Governor DeWine to the Children and Youth Advisory Council at the Ohio Department of Children and Youth.

A dedicated advocate for children and families, Mr. Kresic frequently offers testimony before key legislative committees, including the Ohio Health and Human Services Finance Subcommittee and the Ohio Joint Medicaid Oversight Committee. His advocacy reflects his longstanding commitment—as both a social worker and organizational leader—to elevating the voices of vulnerable children and families across Ohio.

# ***TERRANCE CHILDRESS-HARRIS***

## **MASTER OF ATHLETIC TRAINING**

Terrance Childress-Harris is graduating with a Master of Athletic Training. During his time at YSU, he gained valuable clinical experience working with high school and collegiate athletes and developed a strong interest in injury rehabilitation and patient-centered care. He plans to sit for the Board of Certification exam and pursue a career as a Certified Athletic Trainer in Ohio. Terrance would like to thank his family, classmates, and preceptors for their continued support throughout his journey.

**MAYOR, CITY OF YOUNGSTOWN  
FOUNDER OF THE YOUNGSTOWN FLEA**

As Youngstown's 52nd Mayor, Derrick McDowell is dedicated to serving at the pleasure of the people who deserve real transformative change. At the forefront of his agenda is raising the standard around City services and residents' quality of life. A cornerstone of Mayor McDowell's vision is the work of "Reclaiming Our Identity" as we rebuild our industry.

A proud, native son of the Southside of the City of Youngstown, his genuine love and care for his hometown has passionately marked his public service. Mayor McDowell has advocated on the local stage all through his entrepreneurial journey.

Most often he is known for his work as the Founder of The Youngstown Flea. He has additionally served as the former "Community Engagement and Inclusion Coordinator" for Wean Park and the Youngstown Foundation Amphitheatre. He is the Founder of Hola Fest Youngstown (Hispanic Heritage Cultural Celebration), and previously held a position at AT&T in corporate leadership for 12 years of his professional career.

Mayor McDowell's leadership marks a transformational opportunity to champion Youngstown's resurgence through bold, decisive action, innovative solutions, and an unwavering commitment to each of our 33 neighborhoods.

## STUDENT SPEAKER

### ***SOFIA MYERS***

#### **BACHELOR OF ARTS**

Sofie Myers is an Honors College student, graduating with her Bachelor of Arts with 3 majors: Political Science, Communication Studies, and Philosophy, as well as a minor in Marketing. Throughout her four years attending Youngstown State University, she has been active in many student organizations on campus as well as the Sokolov Honors College.

Her passion for representing the Student Body was evident through her positions she served in the Student Government Association including President, Executive Vice President, VP of Student Life, and Freshman Representative, as well as a consistent Academic Senator. Sofie has proven her dedication to ethics and lifelong learning through her four years as a competitor on the Intercollegiate Ethics Bowl Team, where she worked collaboratively with her teammates at Regional and National levels, to provide important insight on difficult social, political, and economic issues. She has

demonstrated her commitment to service and the Youngstown community through her philanthropy and volunteer work in her sorority and the Honors College. Serving Zeta Tau Alpha's philanthropy of Breast Cancer Education and Awareness, she has helped to raise money for the Joanie Abdu Comprehensive Breast Care Center in Youngstown, as well as taking the time to complete over 290 community service hours.

Outside of her campus life, Sofie has held two internships in Washington D.C. for the United States House of Representatives. Her dedication to YSU student organizations and campus life make her a good leader and she is excited to take her passion for service and advocacy to her future career in government work.

***PEYMAN GIVI***

Peyman Givi is the Distinguished Professor and James T. Macleod Chair of Mechanical Engineering and Petroleum Engineering at the University of Pittsburgh. Previously he was the UB Distinguished Professor of Aerospace Engineering at SUNY-Buffalo (1988-2002) where he received Tau Beta Pi Professor of the Year Award (2002). He has also worked as a Research Scientist at the Flow Industries, Inc. in Seattle (1985-1988). Givi has had frequent visiting appointments at the NASA Langley & Glenn centers and received the NASA Public Service Medal (2005). This is the highest award of NASA to a civilian. He is among the first 15 engineering faculty nationwide who received the White House Faculty Fellowship from President George H.W. Bush. He also received the ONR-Young Investigator Award of the DoD, and the NSF-Presidential Young Investigator Award.

Known as the modern day's *Rocket Scientist*, Peyman's areas of research interest include computational fluid dynamics, combustion, turbulence with emphasis on high performance computing. He has also pioneered the application of quantum computing in aerospace science and engineering. Givi is elected Fellow of AAAS, AAM, AIAA, APS, ASME, the Combustion Institute, and was named ASME Engineer of the Year in Pittsburgh (2007). He is currently on the Editorial Boards of the *AIAA Journal*, *Combustion Theory and Modelling*, *Journal of Applied Fluid Mechanics*, and several other journals. Previously he served on the Editorial Boards of *Computers & Fluids*, *Physics of Fluids* (Guest Editor) *Progress in Energy and Combustion Science*, amongst several other journals. Givi was selected to deliver the AIAA Dryden Lecture in Research (2024), the 13th Elsevier Distinguished Lecture in Mechanics (2021), and the 11th Pratt & Whitney Distinguished Lecture (2021). Peyman received a Bachelor's degree in Mechanical Engineering from YSU (with a Distinguished STEM Alumnus Award in 2012), and Masters and PhD degrees from Carnegie Mellon University (with a Distinguished Alumnus Achievement Award in 2022).

## STUDENT SPEAKER

### ***LYDIA NOBLE***

#### **BACHELOR OF ENGINEERING**

Student speaker Lydia Noble will represent the College of Science, Technology, Engineering, and Mathematics. A member of the Sokolov Honors College, she graduates with the highest level of distinction with her degree in Industrial & Systems Engineering. Lydia's favorite extracurricular experiences have been serving on the Executive Cabinet of the Student Government Association, as well as her time as the President of the YSU Dance Club. Starting this summer, Lydia will be working full-time at Rovisys Building Technologies as a Systems Engineer, and she looks forward to playing the piano and accordion in her spare time.

# COLLEGE OF SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS

*Because the list of candidates had to be prepared in advance, it is tentative.  
The diploma, together with a certified transcript, is the proof of graduation.*

***BOB HANNON***

Bob Hannon is the President of the United Way of Youngstown and the Mahoning Valley, a role he has held since September 2008. From the outset, Bob set a clear vision: to transition the 107-year-old organization into a true Community Impact agency. However, he assumed leadership during a national economic recession, requiring his early years to focus on stabilizing the annual campaign alongside the Board of Directors and staff to ensure the United Way could continue meeting the region's most pressing needs.

Under Bob's leadership, the organization not only weathered the storm but flourished. He helped grow the annual campaign to record-breaking levels, raising more than \$3.7 million for three consecutive years.

In 2013, with a more stable foundation in place, Bob led a strategic shift toward Community Impact. He and

his team hosted a dozen community conversations to better understand local concerns. A central theme emerged: families needed holistic support systems to help children thrive in and out of school. Drawing inspiration from successful United Way programs in Pennsylvania's Lehigh Valley and Salt Lake City, Utah, Bob and his team created Success After 6, an initiative focused on wrap-around services for students and families.

Launched in 2015 at Youngstown Community School, Success After 6 addresses academic, social-emotional, and health-related needs by providing tutoring, mentoring, health screenings, counseling, after-school programs, enrichment opportunities, and family engagement. Bob was a hands-on leader, frequently visiting the programs to engage with children and parents. The success of the pilot led to expansion into the Youngstown City School District and eventually into seven districts across the Valley.

In 2020, the COVID-19 pandemic presented new challenges. Bob led the organization through this period with resilience and innovation, resulting in new initiatives and the creation of the Centofanti Volunteer Resource Center, which opened in 2024. This second facility in Boardman serves as a hub for volunteers and provides warehouse space to support growing community needs.

United Way continues to launch meaningful programs under Bob's leadership. Its Saturday of Caring feeds more than 465 homebound families each month, and its Care Closet initiative—originally started in four schools—now serves 28 school sites in 11 districts with essential supplies for students in need.

Despite these growing initiatives, United Way remains committed to its roots, continuing to fund 40 nonprofit agencies that serve as a safety net for children, individuals, and families across the Mahoning Valley. Bob believes deeply in the power of collaboration, stating, "Together, we are working to improve our community."

Before his work in the nonprofit sector, Bob spent two decades as Sports Director at WYTV. A passionate sports enthusiast, he continues to serve as the voice of YSU Football and is now in his 39th season calling Penguin football on the radio.

Originally from New Castle, Pennsylvania, Bob now resides in Poland, Ohio. He holds a degree in Communications from Slippery Rock University and is a proud father of three—Craig, Noelle, and Melinda—and grandfather to four.

### ***LAUREN BARRETT***

#### **BACHELOR OF FINE ARTS**

Lauren Barrett is a graduating Interdisciplinary Studio Art Major with a Marketing Minor here at Youngstown State University. She is from Poland, Ohio and graduated from Poland Seminary High School in 2022. While at YSU she has developed a diverse creative practice that focuses on abstract painting and printmaking. Within her minor she enjoys gathering research and statistics on consumer preferences and satisfaction. Outside of class, she is heavily involved in her volunteer work with the Sokolov Honors College and enriching her community. In her personal time, Lauren enjoys taking day trips, playing video games, and watching Formula 1. In the Fall, Lauren will be pursuing a graduate degree in Entertainment Technology at Carnegie Mellon University.”

## YOUNGSTOWN STATE UNIVERSITY

# ACADEMIC REGALIA & CEREMONY

The gowns, hoods, and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic pageantry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education. International degrees do not always follow this protocol.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

Recipients of University Honors receive golden honor cords placed around the shoulders. Honors College graduates wear a specifically minted medallion on a white ribbon to denote their academic achievement.

Graduating students who serve or have served in the Armed Forces are invited to wear red, white, and blue patriot cords in recognition of their service to our country.

## THE UNIVERSITY CEREMONIAL MACE

The ceremonial mace has its roots in ancient Rome. During the Middle Ages, the types of maces - one a scepter and symbol of royal authority, the other a weapon - gradually evolved into a symbol of lawful power and regal authority. Beginning in fourteenth-century Europe, the academic mace became part of the pomp and ceremony of university commencements, denoting the authority of universities to confer academic degrees.

The Youngstown State University mace was designed and crafted by a collaborative team that included YSU faculty, students, alumni, and area K-12 art educators under the leadership of YSU professor Greg Moring.

## THE PRESIDENTIAL MEDALLION

This is a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University's past presidents.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania.

## THE YOUNGSTOWN STATE UNIVERSITY SEAL

The University's official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe, and the Latin words *animus liberatus*. In simple terms, those words summarize the transformation - or liberation - that occurs on this campus countless times each day. In English, they are translated *The Mind Freed*, or *The Spirit Freed*.

*Congratulations  
Graduates!*

## **ALMA MATER**

All hail to thee, O Youngstown,  
Our Alma Mater fair;  
In sunlight and starshine  
We see thee in all thy glory.  
The Red and the White,  
thy glorious colors,  
Ever we praise and hold them  
High to the breeze a the symbol  
of our Most loyal allegiance.  
This anthem, O Youngstown,  
Our pledge of trust shall be  
That thy sons and daughters  
Shall keep faith with thee forever.
