

F-2/J-2 Dependent Visa Information and Request Form

Family Member Visa Information:

- F-1 and J-1 students and scholars on Youngstown State University’s immigration documents who wish to bring their immediate family members as F-2 or J-2 dependents should follow the steps below to request a dependent immigration document. Only children under the age of 21 are eligible for a dependent visa. IPO will issue an original I-20 or DS-2019 form for each dependent requested. Note: The F-1/J-1 student or scholar will also receive a new I-20/DS-2019 with updated financial support information.
- **Parents, domestic partners and relatives are not eligible for the F-2 or J-2 visa.** With questions about inviting family members to the U.S. and how you might assist with that visa application, consult IPO.
- F-2 dependents are not eligible for employment or full-time study in the United States. F-2 dependents may study part-time. J-2 dependents may study full or part-time and may apply to U.S. Citizenship and Immigration Services for employment authorization. Consult IPO for more information.
