

The University may allow the sale and/or service and consumption of beer and/or wine at the programs, seminars, meetings, or workshops of an educational nature that are sponsored by principal administrative officers, deans, or department heads, and at employee on-campus social events; and by non-university groups sponsoring on-campus events appropriate to the University's public service mission.

Events serving and/or selling alcoholic beverages must be approved in advance. All sponsoring organizations must process a University Alcoholic Beverage permit at least two weeks in advance of the event. Arrangements for alcohol sale and/or service must be made through the University Events Office or the Kilcawley Center Room Reservations Office.

The sale and/or service of any alcoholic beverage on the Youngstown State University campus shall be in accord with all state and local liquor laws and these University regulations.

There are two types of regulations governing the service of alcoholic beverages on campus. The location of the event determines which set of regulations govern the event. The two types of alcoholic beverage services are:

A. Events held within the liquor permit premise. The University through its campus dining vendor holds a liquor license which defines the permit premise as the Campus Core (i.e., the areas of campus south of the eastbound Service Road, north of Lincoln Avenue, east of Wick Avenue, and west of Fifth Avenue.*) The following buildings are within the permit premise:

- Andrews Student Recreation and Wellness Center
- Coffelt Hall
- Cushwa Hall
- DeBartolo Hall
- Fedor Hall
- Fok Hall
- Jones Hall
- Kilcawley Center
- Maag Library
- Moser Hall
- Sweeney Hall
- TodHall
- Ward Beecher Science Hall

* Other campus buildings are not within the premise. Ohio law does not currently allow for an individual permit premise to cross a street or highway.

1) Regulations for service to events within the alcohol license permit premise:

- a) The sale of alcoholic beverages may take place at catered events within the liquor license permit premise held by the campus dining vendor.
- b) Alcoholic beverages must be purchased through the University's campus dining vendor. Alcoholic beverages may be purchased through a cash bar or passed on to event participants through a ticket price or individual charge for the event. In no case can the ticket price/charge include more than two alcoholic beverages per person.
- c) The sponsoring group of an on-campus event at which liquor is to be served must employ all service staff through the University's campus dining vendor.
- d) Non-alcoholic beverage and food must be served at any on-campus event at which beer, liquor and/or wine is served and/or sold.
- e) Beer and/or wine may not be purchased with state funds.
- f) Under no circumstances may any alcoholic beverage be permitted to leave the approved area of the event.
- g) No alcoholic beverages may be brought into the permit premise by an individual or group at any time.
- h) All sale/use of alcoholic beverages on University property will be monitored by and subject to inspection by University officials. Police officers must be present at all times during an event unless determined by the Chief of University Police to be unnecessary.

B. Events held outside the defined area of the liquor permit. Events in these areas must get an F (Beer only) or F2 (Beer & Wine) State Temporary Permit if there are alcohol sales, tickets purchased, or any other type of implied funds to attend the event (membership fees, donations, etc.) Please see www.com.ohio.gov/liqr/ under Licensing, then click "Special Events" for application forms. Areas that are outside the permit premise include:

Beeghly Hall
Bliss Hall
Cafaro Hall
Cafaro House
Anne K. Christman Dining Commons
Kohli Hall
Lincoln Building
Lyden House
Melnick Hall
John J. McDonough Museum of Art

1) *Regulations for service to events outside the permit premise of the liquor license:*

- a) Events in locations outside the permit premise may have alcoholic beverages served but not sold for private functions. The cost of the alcoholic beverages served cannot be passed on in any manner to individuals attending the event.
- b) Beer and/or wine to be served at on-campus events outside the permit premise must be delivered in bulk to the location of the event prior to the event. Any remainder must also be removed in bulk.
- c) The sponsoring group of an on-campus event at which liquor is to be served must employ a qualified bartender who is at least 21 years old and employed by the caterer.
- d) Non-alcoholic beverages and food must be served at any on-campus event at which beer, liquor and/or wine is served.
- e) Beer and/or wine may not be purchased with state funds.
- f) Under no circumstances may any alcoholic beverage be permitted to leave the approved area of the event.
- g) No alcoholic beverages may be brought into the event by an individual or group when alcoholic beverages are being served.
